Through some error it was sent in another letter to A. C. McClurg of Chicago. They have informed me that they have forwarded this order to you.

Kindly see that these books are sent to us direct and not c/o A. C. McClurg & Company, who have nothing whatever to do with the transaction. Please address them to The American Numismatic Society and not to me personally as this will expedite their passing through the customs.

Very truly yours,

Secretary.
